Sir,

With reference to your letter No L-10483-5 dated 23rd April 1945 requesting the opinion of the Municipal Council in regard to payment of dearness allowance and the war allowance at the enhanced rates sanctioned in Government Order No.Fl 4152-4215/S & A 160-44-1 dated 27th March 1945, to the wholetime employees of this Municipality with retrospective effect from January 1945, I have the honour to state that this Government Order was placed before the Municipal Council at their meeting held on 31st March, 1945 and they have resolved that the Government Order may be recorded with the request of the Council that the Government may kindly subsidize the Municipal Council to the extent of dearness allowance to be paid as per their order A copy of the Council Resolution No 778 in the matter is enclosed herewith for favour of reference

In this connection, I beg to state that the dearness allowance which was paid to the wholetime employees of this Municipality upto the date of Government Order adverted to above was Rs 93,000 per annum The expenditure on this account that would be required according to the new Government Order would be Rs 14982 2/3 per month or Rs 179792 per annum This amounts to an increased expenditure of Rs 86792 In the present financial position of the Municipal Council it is not possible to provide for this big sum of extra expenditure without seriously impairing the efficiency of essential services and supplies The Council is finding it extremely difficult to cope up with the inevitable increase in the expenditure owing to the present state of things and has mercilessly cut down provision of funds for civic amenities and has determined to put off even urgent works A perusal of the copy of the pro-

xx

visional Budget for 45-46 herewith enclosed will clear show the financial position described above. While the Municipal Council finds it impossible to provide funds for the enhanced dearness and war allowances, it cannot withhold the benefit of the latest Government Order without giving room for discontent among and probable hardship to the employees

The Council has therefore resolved to request the Government to kindly come to their aid by contributing necessary funds to meet the extra expenditure of Rs 7,232 2/3 per month from January 1945 and to sanction a contribution of Rs 86,792 for the ensuing year I request you therefore to kindly obtain orders of Government in the matter early

I have the honour to be,

Representation Assembly,
Second Session, 1946.

Representation No. 86.

It is prayed that a sum of twenty lakhs of rupees be provided to subsidise the local bodies, namely, the Municipalities and Panchayats to meet the cost of Dearness Allowance to their staff in view of the fact that all improvement works of the local bodies are at a stake as their necessaries are not even sufficient to meet the salaries and the Dearness allowance of the staff

[redacted] of
[redacted] lakhs
[redacted] bodies
[redacted]
[redacted]ipalities
[redacted] panchayats
meet the cost
Dearness
Allowance to
their staff.

. G.S. Subba Rao (Madhugiri Urban)

The enclosed file is placed below with a note on the representation of certain Local Bodies praying that the expenditure incurred by the Local Bodies towards the payment of Dearness Allowance to their employees may be met out of State Funds ~~safar~~, up to the end of June 1946, the entire cost was debited to the funds of the Local Bodies when the rates of Dearness Allowance

dearness to the non-gazetted officials of Govt was increased by 50% with effect from 1/7/46, all the Local bodies were consulted to furnish their opinion as to whether the same concession may not be extended to the employees of the Local bodies also & the information so far received, a majority of them plead their inability to meet this additional demand ~~incidence~~ some of them pray that the entire grant may be met by the Govt and certain others pray that atleast 1/2 the cost in this behalf may be debited to the State Funds only a few have agreed to pay at the enhanced rate — the connected file has already been submitted

The move has also included the Panchayats there are 12000 Panchayats in the State. What the response will be of this proposal in view of the above note cannot be definitely stated

the following secretariat note is put up for consideration
